Respected brother,

Assalamu Alaikum wa Rahmatullah wa Barakatuhu,

Thank you very much for your kind letter of 7th December. It has brought us immense joy and happiness.

It has been such a long time since we have had the honour and pleasure of your company and the benefit of your advice. Everyone here is anxiously waiting for the day when they can welcome you amongst them once again. It is a great relief to know that you are now free to travel abroad.

We pray to Allah to accept your and other brothers Umra and bestow His mercy and bounties on you all.

We have many things to talk about and bring you upto date. We would, therefore, be delighted if after your visit to Germany you could come over to London, if convenient to you. If not, we would be equally happy to welcome you any other time. In either case we would very much appreciate if you would kindly let us know about your London visit well in advance so that we can make necessary arrangements.

As for myself, I am going abroad and will be away from London till 15th January, 1986.

With warm regards and best wishes from myself and all other brothers.

Yours sincerely,

Salem Azzam

Dear Respected Brother: 7.12.1985

Assalam alaikum wa Rahmatullah wa Barakatuhu

I felt great satisfaction in recewing your letter of NOV. 6, 1985 and thank you sincerely for your good wishes.

Our trials in several cases as administrators of MSP, initiated after Sep. 12, 1980, lasted for five years. However, due to generousity of Allah, we were acquitted in all the cases. We were notified of the final decision on October 24, 1985. This for us a period ended, and a new period started.

May Allah bestow upon all of us good days and good deeds.

From now on, we are free to travel outside the country.

Firstly, we are preparing together with our friends for an Umrah visit. İnşaallah we shall be able to realize this during the month of December. Soon after the Umrah visit, we are thinking of a program of visits to Moslem countries. A visit to our workers in Germany is a part of this program.

In the meanwhile, we will be very happy if we can find an opportunity to visit you and other brothers in London.

In fact, we are all well aware of your close concern and your efforts for giving all the help you can, during our five year long trials. Consequently, we feel that it is our duty to visit you and to offer our thanks personally on behalf of all our friends.

If you could be so kind to inform me of your very beneficial, conscious and ever lasting activities at your earliest convenience, you would make me very happy. On this occasion, may I also ask you to communicate my greetings and deepest regards to our brother and esteeme friend prince Mohammed Faisal.

In this new period, I hope to maintain closer contact orally and in writing. We send our greetings and best regards to you, your esteeme brother İbrahim SAI, and all our friends in London.

I pray to Allah for beneficial days and beneficial activities.

Your Brother in Islam
